

International Summer School 2019

Researching Conflict Mediation and Peace Education

05.- 22. July 2019 The ArtPeaceProject

The format will be that of a doctoral colloquium. In different workshops during the summer school empirical research is carried out with the method of arts-based inquiry and on various introduced subjects of conflict mediation and peace education. Another practical part is the preparation of exposés for the writing of a dissertation on these topics.

Venue: University of Hamburg, Faculty of Education, Von-Melle-Park 8, 20146 Hamburg
