4. Crisis Prevention & Response Internship at Amnesty International USA

Amnesty International USA’s Crisis Prevention and Response (CPR) efforts are aimed at engaging and mobilizing members, policy makers, and the public to prevent and respond to human rights crises around the world. CPR has managed AIUSA’s recent response to crises in the Democratic Republic of Congo, Gaza and Sri Lanka, amongst others. The CPR intern will also have the opportunity to work with the Science for Human Rights project, which uses the power of satellite imagery to document human rights violations.
