ASERBAIDSCHAN

Baku feiert einen Mörder

Neue Spannungen im Kaukasus zwischen Armenien und Aserbaidschan: Ungarn weist einen verurteilten Mörder nach Aserbaidschan aus - dort wird er als Held gefeiert. EU und USA reagieren befremdet.

Tsopi: An Azerbaijani – Armenian World

Tsopi, located a 10 – 15 drive from the Georgian – Armenian border town of Sadakhlo, has retained a spirit of brotherhood between Armenians and Azerbaijanis despite the conflict of recent years in Nagorno Karabakh.

VADIM ROMASHOV

Vadim Romashov is a doctoral student at Tampere Peace Research Institute (TAPRI), Tampere University. His research focuses on the everyday life of Armenian-Azerbaijani rural communities in Georgia as well as on alternative peace processes for the Nagorno-Karabakh issue.

Vicious logic of the Nagorno-Karabakh conflict resolution process

Lukuaika: 9 min. The new war in the Nagorno-Karabakh conflict zone is an evident consequence of unproductive political negotiations and international mediation that have usurped the peace process between Armenians and Azerbaijanis for a quarter of century. [Lue lisää]
